Browsing data

The information systems and software procedures involved in the functioning of this website acquire, during the course of their normal operations, some personal data whose transmission is implicit in the use of internet communication protocols.

This information is not collected in order to be associated with identified data subjects, but due to its very nature can, by means of processing and integration with data held by third parties, allow users to be identified.

These data are used with the sole purpose of obtaining anonymous statistical information concerning the use of the site and to check its correct operation, and are deleted immediately after being processed. These data can be used to ascertain responsibility in the case of hypothetical computer crimes to the detriment of the website. Without prejudice to this possibility, as things stand, data on web contacts are not kept for more than seven days.

The optional, explicit and voluntary dispatching of electronic mail to the addresses indicated on this website entails the subsequent acquisition of the sender's address, which is necessary in order to reply to requests, as well as any other personal data contained in the message.

Specific summary information to data subjects shall progressively be reported or displayed on web pages dedicated to particular services on request.

With regard to the use of cookies, please refer to the dedicated "extended privacy notice" published on this site and drawn up in accordance with the Order of 8 May 2014 issued by the Italian Data-protection Supervisor, which integrates and supplements this document.

VOLUNTARY NATURE OF DATA PROVISION

Other than for browsing data, the user is free to choose whether or not to provide their personal data. However, the refusal to provide personal data will make it impossible for the user to obtain anything they have requested.

DATA PROCESSING PROCEDURES

Personal data are processed by computerised means for the time strictly necessary to achieve the purposes for which they were collected.

Specific security measures are observed in order to prevent the loss of data, unlawful or incorrect use and unauthorised access.

Requests should be addressed to the Data Controller or the **Data Protection Officer, Mr Juri Torreggiani, whose office is located in Reggio Emilia, at Via Piccard no. 16/G, tel. 0522/30.11.69, fax 0522/38.79.96.**
